

Fishing Rules and Regulations Acknowledgment

The following rules and regulations for fishing in Lake Summerside must be read and agreed upon prior to any member being permitted to fish. This form must be acknowledged by the member. This acknowledgement is only recognized if the members name, address, member number and signature are completed at the bottom of this form.

1. Fishing privileges on Lake Summerside are restricted to Summerside Members only. Guests are not permitted to fish without a Member present.
2. The daily catch limit is two (2) Trout per day with a monthly limit of twelve (12) Trout. Any Trout caught by guests will be included in the resident's household limit. Note at this time, there is no daily limit on the amount of Perch that may be caught per day by residents or their guests.
3. All fish caught must be reported to the office.
4. No live bait or nets may be used to catch fish. Powerbait or any other live bait simulator is also not allowed.
5. Barbless hooks only.
6. Only one (1) fish line per person is permitted.
7. Unattended fishing line or equipment will be confiscated for violation.
8. No cleaning of fish is permitted on any Lake Summerside amenities or property.
9. Propane heaters are permitted while ice fishing. The maximum allowed size of propane bottle is 5 pounds, and no exposed flame is allowed.
10. Only hand powered or electric augers are allowed.
11. Membership cards are to be turned into the Gatehouse while fishing.
12. All fish must be reported to the Gatehouse before the return of membership card. Catch limits and reporting allow for proper management and restocking which allows an enjoyable experience for all.
13. No live fish may leave the park.
14. Random tackle box checks will be performed before and after entering the lake to ensure all Rules and Regulations are being followed.
15. Fishing is not permitted from any undeveloped or unoccupied lot on Lake Summerside.
16. Fishing is not permitted from the boat docks or along any portion of the beach swim area.

In order to properly control and maintain the fish population in the lake, the Residents Association reserves the right, from time to time and without notice, to suspend fishing rights in the lake for a period of time as the Residents Association, in its sole discretion, deems necessary.
